### COURSE DESCRIPTION

This is the full qualification for people wishing to work as a qualified nail technician. This course includes the basic and advanced nail enhancement course plus the remaining units of competence to complete a nationally recognised qualification. In addition to what is covered in the basic and advanced courses you will learn to:

- work in the nail service industry
- provide manicure and pedicure services
- work and interact effectively with clients
- carry out financial transactions
- apply acrylic nail enhancements
- apply gel nail enhancements
- apply nail art
- establish a small business

**Duration**

32 evenings (16 weeks) – 6.00pm to 9.00pm plus completion of 30 hours of nail enhancements.

**Program Structure**

The Certificate III in Nail Technology requires completion of fifteen (15) units comprising eleven (11) core units together with four (4) elective units.

**Fee**

$4,200 which includes a nail enhancement kit.

**Practical**

Practical will be completed throughout the duration of the course. Students must be willing to receive treatments as well as practice on others.

**Dress Code**

- Salon uniform or dark trousers and top suitable for completing treatments
- Closed in flat dark shoes
- Hair neatly pulled back if shoulder length or longer
- Jewellery – only stud earrings and a watch

**Student Kit**

A full gel enhancement and acrylic enhancement student kit with a UV light is included in the cost of the course, which will be used for the duration of the course and for home treatments as part of the treatment log.

**How do I enrol?**
